Aylin Asli Altinkilic,

UX/UI & Interaction Designer

EXPERIENCE

02

2026.07 - Present

Freelance UX/UI Designer @Clastix

Rebuilt the whole webpage as the sole designer, working closely with the developer and service designer. Built the design library and information architecture.

2025.05 - 2026.06

Junior UX/UI Designer @systemzero

Worked across UX/UI, design systems, and client demos in a fast-growing fintech startup. Contributed to role-based access flows, dashboard design, and usability improvements.

2023

Social Media and Graphic Design @Standby Creative Agency

Produced and managed content for 6 brands of Eczacıbaşı Holding including international brands such as John Frieda and Frosch.

2020

Freelance Graphic Designer @Pixery

Helped create visual data sets to train large language models to develop an AI application.

2021

Freelance Graphic Designer @TOS Analytics

Created UI elements such as stylized icons and small graphics for a mobile application.
